

Basic Sauna Collection

— A Chance to Enjoy
Modern Sauna.

Multiple Enjoyment

Basic Sauna Collection gives you a chance to enjoy modern sauna. At the same time bathing breathes feeling of hundreds of years of sauna traditions and the feeling of natural well-being.

Lively Surface

Saunas are made of slowly grown, tough Northern softwood, spruce. The trees have been felled in accordance with strict environmental standards. The live surface of the wood in saunas is an essential part of the enjoyment. The wooden surface is beautiful and soothing.

~ FAQ ~

In Basic Sauna Collection there is a suitable model for every customer.

Each sauna is equipped with suitable sauna heater with stones. Also sauna lamp, bucket, ladle and thermometer are included.

All-glass sauna doors have been specifically developed for saunas. They withstand heat and moisture. The door glass is reinforced 8 mm thick safety glass. The door opens and shuts smoothly.

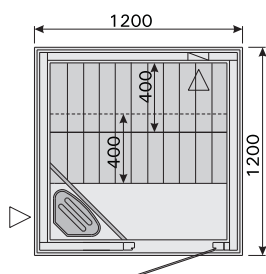

The glass door gives a greater impression of light and space, and is furthermore safe and secure.
